No Changes Tonight at Juneau Theatres.

All of the theatres in Juneau tonight will continue the same bills for the last time. All of the bills being shown are good ones and have all

drawn good during their run. All the theatres, Coliseum, Palace and Dream will change on tomorrow night's show, the Dream running the change for three nights, while the Coliseum and Palace run two nights only.

Mary Miles Minter Will Be at Coliseum.

Starting tomorrow night, and for Monday night also, the youngest star, Mary Miles Minter will be at the Coliseum together with Fatty Arbuckle in a big Keystone comedy. The feature of the program offered the public will be led by the young star who needs no introduction to the Juneau public, having pleased large numbers on her two previous appearances here on the screen at the Coliseum.

Fatty Arbuckle is also known here, and has long been a favorite with Juneau movie fans. "His Wife's Mistake," by the Trixie people is said to be one of his best productions.

The two high class productions together will make one of the big shows of the theatre programs at Juneau tonight.

June Caprice and Big Comedy at Palace Tomorrow.

The Palace theatre tomorrow night will present June Caprice in "A Modern Cinderella," and a big comedy fea-

turing Henry Lehrman, Billie Ritchie, Dot Farley and Hank Ramm with hundreds of others.

June Caprice is one of the favorites of Juneau movie fans, having been here in several productions before. In the coming attraction she plays the part of a modern Cinderella and takes a lover away from her older sister.

The love match between the young man and her sister has been arranged by her mother, but the little miss, with the help of Dan Cupid, upset their plans and all ends well, with June on the winning end of the bet. During the course of the play, to test the love of her hero, June throws herself into the shark-infested waters of the bay, and is rescued with great difficulty by her lover who rises to the occasion in grand style.

The settings for the comedy feature are said to be very elaborate and rich. Hundreds of actors and actresses were engaged in the production of this feature. It consists of three reels of good, clean comedy, all of the slap-jack stuff having been eliminated. This is the first Fox comedy to be shown in Juneau and carries with it the well established Fox reputation for good productions.

Japanese Stars Will Be Seen at Dream.

The Japanese stars, Sessue Hayakawa and his wife will take the leading parts in the Sunday night show at the Dream theatre. They will be assisted by Raymond Hatton, who stars in so many productions as the dope fiend.

CAST — SESSUE HAYAKAWA TOKI-YE, a maid of Japan. — TSURI AOKI KAYOSH — RAYMOND HATTON MURPHY — BILLY ELMER In "The Honorable Friend" Hayakawa is seen as a young Japanese

gardener working for a wealthy and unscrupulous Japanese curio dealer. The old man is desirous of a bride and sends Hayakawa's picture as his own to Japan, and Hayakawa is sent to the dock to marry the Japanese girl having been told that she is to be his own wife. When he brings her before the wealthy old curio dealer receives his just deserts and the two lovers are re-united, is presented in an unusual and most dramatic manner.

Among the other business to come before the meeting will be the approval of a draft of a bill which has been drawn up, providing for an additional, or fifth judge for Alaska.

In urging the passage of the bill figures and data has been prepared showing how the judges of Alaska are overworked and how it is practically impossible for them to keep their docket clean, it sometimes requiring several months before the courts can find time to take up cases which are at issue.

The bill will be sent to Delegate Sulzer with the request of the Bar Association that every effort be made to secure favorable action from Congress on the matter.
